SENAIL.

WASHINGTON, Sepruary 5.-On motion of Sewel the senate passer the ni perefere n focuere by him americling sections of 118 revised statutes relating to annua appropria-

On Farrison's motion the morning ous ness was laid ash e and the Da tota bil taken up, on which but er took the foor.

But er said he sena or from Indiana (Larmany had either evaded or forgotten many the facts yearing on the Darots question. e (sut er' c sarged sat opposition to Datora hat first come, not from the cemocratic sice of the senate, but from the repub can side, and quoted some remarks of a ale in a former congress to sustain his position.

McA flan be leved a e-hat their stood alone. Butler che not care how that was, 'he senators from inciana and i. nois, le said, had referred to the vote police in South Carolina and other southern scates and compared these votes with the vote of Jazota. Butler had to assume that that was cone for the purpose of giving a sections furn to the debate and arraying popular pit judico against the scuttern people. 'At a southern states, continued lutler, had been under tire or a good many years. They had survived heavier artillery than that now turner against them and we ad survive this. Whotever might and against South Carolina, and no doubt she had made mistakes in the past aru would make mistakes in the future, turs on the other side has camped upon the thir bustom of that tate rac her o he a s seen tabled with the bemish of corruption, it had never happened till then that her officia s had been compelled to Ly from her borders to escape the state's prison, and was a degrating, disgraceful and humiliating spotation iac been going on not one word of protest had come from the honorable senators on the other s re who now arrangued South Carouna,

Vi. logan say his atten on iac been a population of a unified has only poled 91,000 votes, and he (Mr. logan) had inquired whether if an explanation was required of Dahota, if an explanation a so was requirec-

An initial replication of the explanation was patent, has secured the servi -s of the follow-grotheal triends and allies of the so nator from litimors were in h monely prefected. Tacy who is a specialist in electrical matters, the people of Sout's Carolina, white and eo-Messis, appa nunten and Jeff Chandler, o ored, were satisfied with the state govern-

> Mr. Butler to the "folling in their tents" of officers while "soldiers were on the march." hat remark, he said, was not just to the genthemen on this side of the chamber.

Mr. Butler disclaimed having intended its application to any senator.

All logan recognized equal notif in a where there has been fall to service. In conc us on Mr. Logan repeated that whatever pretense may be made, he reason for exclucing lazota, lowever the senators may "laggle" over words, the real reason was that it wou c have a repub ican majorily. Men may argue as they please wit i i may presext, that was the real source of the difficulty. But the American beople jac an apicing sense of justice. They know all the elements for sarehood exist in Jakota, that it had the necessary population and area, and a 516 cone tions of moustry, energy and cry ration. hen way, se asked, should not this new state be a acec in the cluster of the Amer can un on that t may add its share to the light and g ory of the republic.

Mr. Call opposed the committee's bill. The will of the whole people o' Dazota, he saic. but no, seen ascerta pec, on the question o c vision, or on the proposed constitution, and they should have an opportunity of voting on these these ponsibetors action of congress was open cone by the administration as we has by

Semunes inquirea whether Mr. Ca , Mr. Butler and their associates would yote for the b. : an amendment were made to t providing for the subm ssion of a new const tution to the people for approval before it should go nto operation, or would they vote for a pilwhich would be submitted to the become of the whole territory for them to say whether they wanted GIV SIOD or Bot.

Mr. Callsaw no necessity for such preent The matter had to be decided with a view to the future as well as the present.

Butler + "Wil the senator from Vermont before supon thing this bill to the people e gressmen?

Ar. admunes-", wil not. After al. these years of effort and app teation by these people the matter should now be Gusosec of Sere was a constitution like the const lutions of other states in respect to security of properry, acm distration of justice, equal levying taxes and every hing that goes to make up the best of modern constitutious. would not therefore say to those people that they must be again out of for one, two or three years." The territory, Er. Acmunes continued, had no r got to reina n a terr tory intever. The In let States paid a very large Date of the electors expenses and should be idueved o' lat ourcen as 800n as was cona stent with the general good. It was the in sor une of face for the senators on the concernic site that the Dazotians cic no: lave to itica opin one to wilch the senators could agree, and that was wish is matter movers.

CLEVELAND Tebruary 6 .- The transfer of the remains of the late president cames A Garne c has been uncer consideration fo some time. This morning James 3. Garneld at Garbeld post repaired to take a view of the conjetery for this purpose. Beyong the united mains of the dead rester in its usual position in the yault, and its shellar stained side presented a natura appearance. Withere's towers were there and evidences on every ically sealed and the remains were lost to morta, view forever. The sarcophagus was then returned to be van t, where two remain until the handsome monument to be erect The sarcoppagus is a work of art. It is or solid bronze metal, hand-omely ornamer: ed, weighs 450 pounds. The top is partial v oval, and mass we hand es run a oug the sidetour jons' feet, one at each corner, incleating strength. A handsome tablet of superior wor manship was placed on top of the sar cophagus. It is a x by fifteen inches. U ornament the projections in the cepter, while menen and calveauthus are entwined, giving a beautiful effect. The tablet was designed as the symbol mark of the dead president, symbo izing his love of home by the icaeuhis ove of manking by the calycanthus, 11purity by the hy and his courage by the oak. The cost of the sarcouragus was \$20,000. The mi itary guard about the vault will be con-
